3. During TY-05 and 06, because of resource limitations and the needs of our returning soldiers, reconstitution efforts are the first priority, followed by Soldier Readiness Processing (SRP) for MTOE units scheduled for deployments, and finally for MTOE units who have not been deployed or scheduled.

4. Because of the requirements for the conduct of the reconstitution and reintegration during a three day window between release from active duty (REFRAD) and the start of terminal leave, all reconstitution operations will be conducted in Building 3650, Fort Dix, and will be scheduled upon unit return from mission to Mob Station. MOBEX exercises will continue to be conducted at the National Guard Training Center (NGTC) in Sea Girt NJ. Additional SRP Exercises will continue to be conducted on an "as needed as scheduled" basis at Fort Dix on Tuesdays and Thursdays for individuals and small groups either shipping out or returning from Title X missions.

5. The J3-Mobilization Readiness Officer, LTC James A. Hayes, 609-562-0772, is the J-Staff proponent officer responsible for establishing policy, procedures and responsibilities for the administration of all Reconstitution and Mobilization Exercises.
